ELIGIBILITY FOR CLASSES

In the following definitions of classes First Prizes or other prize wins are those gained in standard classes at any Royal Kennel Club licensed Championship agility, Premier agility, Open agility or Limited agility shows (i.e. special classes and invitational events excepted) Only a first place with a **clear round within the course time set by the judge** will count towards grade progression. Standard classes may be scheduled for Agility Shows, as Agility classes or Jumping classes. All standard classes must contain the Weaving poles obstacle. Standard Agility classes must contain the following elements: "A Ramp", Dog Walk and See-Saw. With this proviso classes are defined as follows:

A maximum of 4 standard classes may be scheduled for any dog on an individual day of competition including a maximum of 2 graded classes. Any number of special classes may be scheduled

Class Structure. A Class may either be held as a Graded Class or a Combined Class. A Graded Class may be scheduled for a maximum of 3 consecutive Grades with separate results and awards issued for each grade. A Combined Class may be scheduled for more than one consecutive grade with one overall set of results. A class will be won by the dog that has completed the course in the fastest time with the least number of faults, unless otherwise stated for special classes.

Progression. Progression from each Grade will be determined by the eligibility for the class as referenced in H(1)(A)11. Results from Combined Classes will only count towards progression from the dog's current grade. To count for progression wins must be gained in standard classes at Royal Kennel Club Licensed Agility Shows. Only a first place with a clear round completed within the course time set by the judge will count towards grade progression. Competitors will be allowed to walk the course set at Small, Medium, Intermediate or Large height without their dog(s) before the class begins.

Points Progression. At the handler's discretion a dog may progress up to Grade 4 by winning 100 points at each grade, using the Agility Warrant points scheme (Regulation K3.c refers) A minimum of 50 points must be gained in agility (not jumping) classes in the relevant grade. If this method of progression is selected, the handler must ensure the Show Secretary signs the dog's Agility Record Book at the first show entered at the higher grade. There is no time limit on this progression, however once a dog has progressed, it cannot return to a previous grade. **Progression on points must be done prior to the closing date of entries, it is not possible to change a grade on points once the entries have closed.**

STANDARD CLASSES Only first prizes and points gained in standard classes at Royal Kennel Club licensed Agility Shows may be used for progression through the classes. (A dog is only eligible for one grade). In defining the eligibility of the owner or handler for Grade 1, the two wins and points progression referred to in the definition apply only to one dog and not an accumulation of dogs.

Grade 1

Open to owners, handlers or dogs which have not gained a minimum of two first places at Grade 1 at Kennel Club Licensed Agility Shows, at least one of which must have been gained in an agility (not jumping) class. N.B Owners, handlers or dogs previously qualified out of Grade 1 are not eligible for this class.

Grade 2

Open to dogs which are not eligible for Grade 1 or have elected to progress on points from Grade 1 and are not eligible for Grades 3, 4, 5, 6, or 7.

Grade 3

Open to dogs which have gained a minimum of two first places at Grade 2 at Kennel Club Licensed Agility Shows, one of which must have been gained in an agility (not jumping) class, or have elected to progress on points from Grade 2 and are not eligible for Grades 2, 4, 5, 6 or 7.

Grade 4

Open to dogs which have gained a minimum of three first places at Grade 3 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping classes), or have elected to progress on points from Grade 3 and are not eligible for Grades 2, 3, 5, 6 or 7

Grade 5

Open to dogs which have gained a minimum of four first places at Grade 4 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 6 or 7

Grade 6

Open to dogs which have gained a minimum of four first places at Grade 5 at Kennel Club Licensed Agility Shows, two of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 7.

Grade 7

Open to dogs which have gained a minimum of five first places at Grade 6 at Kennel Club Licensed Agility Shows, three of which must have been gained in agility (not jumping) classes, and are not eligible for Grades 2, 3, 4, 5 or 6.

SPECIAL CLASSES Societies may schedule classes other than those defined above as "Special Classes". The eligibility for "Special Classes" must be defined by the society and included in the schedule. The word "Special" must be included in the title of the class. Where special classes are classified for older and/or inexperienced dogs, the height of the hurdles and the A-ramp, and the length of the long jump, may be reduced below the dimensions specified in these regulations, in which case such dimensions must be included in the class definition in the show schedule. Marking for special classes may deviate from marking for standard classes but must be specified in the schedule. Wins, places and clear rounds in special classes will not count towards agility warrant points or grade progression at Kennel Club shows.

Special Any Size Classes Open to all sizes of dogs not entered in any other class in this show. Jump heights to be set at 400mm, 300mm & 200mm (classes 58, 116, 174, 232, 290 & 346 jump heights will be set at 300mm & 200mm); handlers can choose which height they wish to run on the day of the show. SWAT SOUTH WEST JUNIOR CHALLENGE 2026

Sponsored by The Agility Orchard

The aim of this competition is to promote agility and encourage Junior Handlers in the South West. Heats are held at various shows in the South West over the year. With this in mind Under 9 Handlers may run dogs also entered in Anysize or Veteran class(es).

There will be separate competitions for Under 9s, and 9 and over up to 16. The first and second placed handler and dog from each qualifier will be invited to compete at the Finals at the SWAT late August show 28th – 31st August 2026. If a handler and dog partnership has already qualified in either age group, or is unable to attend, the invitation may be given to the next placed pair (provided they have not been eliminated).

All heats and the Final will consist of a Jumping Course for all heights and with all heights competing against each other.

Class 343 & 344 will be run together and will have two sets of awards. Under 9 years old, and 9 years old and over up to 16 years on 12th July 2026. Please ensure the correct age category applies when entering the. Within each age group, all grades and heights of dogs will be combined. If dogs are entered in any other classes at the show they must run at the same height. All dogs will run the same course and there will be one single opportunity to walk before the class starts. The course will be a flowing Jumping course aimed at building confidence for Junior handlers.

The SWAT Team Sprint is sponsored by CIK9, interactive toy specialists, who are offering all agility competitors a 10% discount with the code SWAT10

The 'SWAT Team Sprint' is a competition for teams, run as a relay involving four dogs and handlers, run as a relay over a simple jumping course of jumps and tunnels only. It is designed as a sprint event with spectator appeal, accessible to all grades of handlers and all heights of dogs. There will be separate awards for each height of dog. There are qualifying heats throughout the country. The top two teams from each heat (in each height), qualify for the final held at the SWAT late August show – 29th August 2026. It is a requirement of this competition that the course contains no traps and is of 'fast and flowing style'.

1. The competition is classified under Kennel Club Regulations as Combined Grades 1 to 7 and Special and will be held under KC Rules and Show Regulations H & H1 as in force at the date of the competition. Additional rules apply as described below. Competitors entering this Competition are deemed to have agreed to abide by these rules.
2. All teams must consist of four to six dogs of the same height classification and their handlers. On the day of competition, the team will select the four dogs to run, handled by four separate handlers. (For administration purposes, entries will be recorded initially as four running and (up to two reserves.) All dogs and handlers must be listed on the original entry form at the show closing date.

3. A dog does not need to be entered in other classes at the show and Reserves may be unavailable for a heat but good for the Final.
4. Conditions remain the same for all teams except that the height of equipment will be appropriate to the height of the team of dogs competing.
5. No changes may be made to teams after the closing date for the show holding the relevant heat
Therefore, our advice is for competitors to agree their group of six people and stick to that team throughout the summer. This allows teams some flexibility should handlers or dogs become ill, injured or otherwise unavailable
6. Handlers may compete in more than one team in a heat, providing they handle a different dog in each team. A handler may not run two dogs in the same team. Dogs may only compete in one team in any given heat
7. The course must contain a changeover box, clearly marked on the ground (Handler 1 may use a recall start).
8. The course each dog is required to negotiate shall contain no less than 14 and no more than 20 obstacles. All dogs will run over the same course.
9. This is a relay event, and a suitable baton must be provided. All baton changes must be completed with the handlers and dogs who are currently running, within the changeover box. Failure to comply with this, or an incorrect baton change (i.e., throwing or dropping the baton at changeover) will incur a penalty of 50 points on each occasion. Stewards may be appointed by the judge to adjudicate changeovers if required. The baton must be held in the hand by a handler within the box at all times. It is not necessary for the other handlers and their dogs to be in the box.
10. For each dog an elimination on the course incurs a single penalty of 100 points, however the judge will continue to mark the faults of all remaining dogs. The maximum faults for any one dog is 100 and the maximum faults for a team is 550 (four Es and three baton change failures). Each dog must complete the course even if they have been eliminated. Failure to do so will result in the team being disqualified.
11. The team with the fastest time and the least faults, wins. The top two teams from each heat qualify for the Finals Day.
12. Once qualified, teams may compete in the remaining heats for that season and finish in a qualifying position.
13. Dogs can qualify only once for the Finals (see Rule 5) and once listed as part of a qualifying team they are unable to be part of another qualifying team.
14. If a qualified team withdraws from the Finals, those (four, five or six) dogs may not join another team to qualify.
15. Only the members of an original qualifying team including the reserves (as specified on the show entry) will be allowed to compete in the Finals.

Awards will be given to 1st and 2nd placed teams (at each height) consisting of individual rosettes (4 x 1st, 4 x 2nd). A letter of invitation to the Final will be emailed out shortly after the event to the nominated team captain using the email address held on file by Agility Plaza

The Finals will be held on Saturday 29th August 2026, commencing at 10:00 am. The top two teams from each height will then compete in the Grand Finals in the evening after the other rings have closed. Awards will be made to first and second placed teams in each height category
